What the Skylark says

종달새가 말했다.

the Skylark says

by Lee Won Jin

9th story

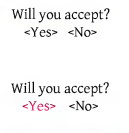
<SYSTEM> I met Mom.

<SYSTEM> I received a quest.

Guest
Be friendly with Ji Hoon Lee and make Mom and Dad believe you work his parents.
Condition: Playing games with Ji Hoon Lee
Reward: Three months playtime for WUW

Will you accept?
<Yes> <No>

Will you accept?
<Yes> <No>



People who say that games are hard, either do not play them or are liars.

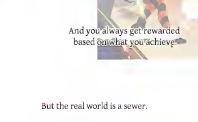
Games have a set purpose.

There are clear rules,

And you always get rewarded based on what you achieve.

But the real world is a sewer.

Even if you follow the rules, it doesn't always lead to a happy ending.



I tried, but I'm not friends with Ji Hoon Lee. I can't get any rewards, and I have to go to the PC Cafe to play games.

People who think games are too hard adapt to the real world really well.

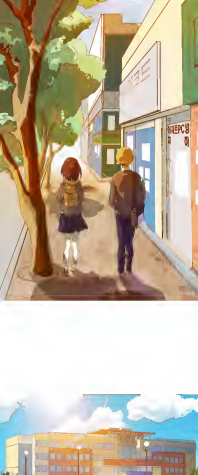
In a similar way to them,

I'm uncomfortable with Sang Hyun Yoon.

For a child-rearing drama, an NPC (or a person
other than a visiting parent) who is socially (or
financially, etc.) distanced, whose only
responsibility is to play a role in the drama.

Especially since I can't tell if Sang Hyun Yoon is happy or not.

I can't read his expression.



Do you Sung Hyun like anybody now?

Shi Sung Jung

I think Soo Jun is the prettiest out the kindest.

What about you?

Wow.

Shi Pyong pyong

It's loud.

I'm not interested.

I don't care what the other kids do around me or what happens at this school. This world doesn't matter to me.

Found an instrument!

Guitars can't be that small. Idiot. Open it.

Oh oh oh!

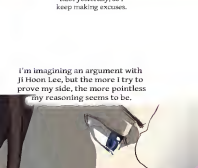
My Hit

Even if it's a fake world...
it doesn't matter
If it's only a game,
I'm only happy here.

It's Serial

Whether there's a
god or not, what's high
about imagining a
new world to play in?
The universe is infinite.
Even if I can't escape from
this world, I can at least
relive like this in the world?

If you get enamored
in it, it's fun.
You shouldn't relive
again just because it was
exactly what you imagined
would be. You're crazy anyway



I'm annoyed I didn't say
things properly to that
idiot yesterday, so I
keep making excuses.

I'm imagining an argument with
Ji Hoon Lee, but the more I try to
prove my side, the more pointless
my reasoning seems to be.

Pathetically,
I cried a little.

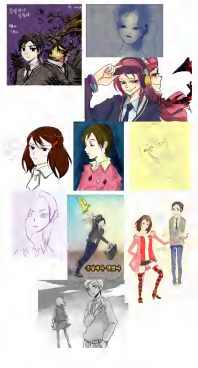
I have nothing else to add this time...

So I'm going to show you some fanart.
Now that all the characters are introduced
and background story have
been told, there is nothing left
but to create the issues that will arise
and a big cliffhanger at the end.

Yes, I'll do my best!
Earthlings, please lend me your strength!



This is what makes my job most fun.
The Fan Cafe is here.
